Why schools choose Filo Cleano

Child-safe team
Our team holds current police checks and Working With Children Checks.

Child-safe products
Professional, low-irritant, pH-neutral products that are suitable for spaces used by children.

Cleaning around the school day
After-hours and holiday scheduling, so classrooms are ready each morning.

Experience on school sites
We currently clean school campuses in Adelaide and understand how they run.

Clear communication
A direct line to the owners for business managers and facilities staff.

A certified social enterprise
As a Social Traders certified social enterprise, your cleaning contract creates meaningful local jobs.

You deal with the owners

When you work with Filo Cleano you deal directly with the owners, Mirra and Jacob. No call centre and no scheduler you've never met. If something needs attention, you know exactly who to call, and we'll get back to you the same day.

Our team

- More than 35 staff, all employed directly under the Cleaning Services Award
- Police checked, inducted and trained to the same standard
- No gig platforms and no subcontractors, so you see familiar faces

Equipment and products

- Commercial-grade vacuums, mops and microfibre, brought to every job
- pH-neutral, low-irritant products with a Safety Data Sheet for each
- Nothing for you to buy, store or manage

Getting started

1

Tell us about your site

Email, call or use our online form. Let us know the type and size of the space, how often you need us and anything specific.

2

We visit and confirm the scope

Our management team is happy to meet you on site, walk through the space and make sure we understand what you need.

3

Get a clear, fixed quote

You'll have a written quote, usually within one business day, with the scope set out so there are no surprises.
